## FOR IMMEDIATE RELEASE

### **transport logistic Southeast Asia and air cargo Southeast Asia (tlacSEA) 2027 to Be Held October 25–27, 2027 (Monday to Wednesday), in Observance of Diwali**

**Singapore — April 1, 2026 —** MMI Asia Pte Ltd today announced that the third edition of **transport logistic Southeast Asia and air cargo Southeast Asia (tlacSEA) 2027** will be held from **October 25–27, 2027 (Monday to Wednesday)**. The event was originally scheduled for October 27–29, 2027 (Wednesday to Friday) and has been rescheduled in observance of Diwali, aligning with the festival period across key regional logistics markets and supporting business continuity for exhibitors and partners operating across Southeast Asia and beyond.

Recognised as the most influential meeting platform for transport logistics and air cargo solutions to and from Southeast Asia, tlacSEA 2027 will bring together global logistics providers, airfreight specialists, shippers, policymakers, and technology leaders to address the evolving demands of regional and international supply chains. The event serves as a critical marketplace for companies supporting trade flows across air, sea, and land, reinforcing Southeast Asia's position as a strategic global logistics hub.

The revised schedule follows the strong momentum of tlacSEA 2025, which concluded with record-breaking participation and demonstrated the region's surging growth in logistics and air cargo. The 2025 edition welcomed:

- More than 8,100 participants from 92 countries
- 120 exhibitors from 27 markets, including national pavilions from Singapore, Germany, China, and Taiwan
- Senior executives, policymakers, and innovators across multimodal logistics, supply chain technology, and airfreight
- 152 speakers and 76 conference sessions covering digitalization, sustainability, multimodal infrastructure, market outlooks, and cross-border trade innovation.

These outcomes underscored the growing importance of resilient, technology-enabled supply chains across all industry sectors.

“Aligning the event dates with the Diwali period allow us to better support our exhibitors and partners across the region,” said Michael Wilton, CEO & Managing Director, Messe München International Asia Pte Ltd. “Building on the success of previous edition, for tlacSEA 2027 will once again serve as the region's most important platform for global logistics and air cargo leaders, supporting supply

### **About transport logistic Southeast Asia and Air Cargo Southeast Asia**

transport logistic Southeast Asia and air cargo Southeast Asia (tlacSEA), is the Southeast Asian edition of the world’s largest trade show for transportation and logistics industry. It is poised to become the most influential meeting place for the logistics, mobility, IT, supply chain management, and air cargo industries in Southeast Asia. Having been awarded “Debut Event of the Year” at the Singapore MICE Awards in 2024, the event provides a comprehensive overview of the industry, offering valuable insights into the latest trends and challenges.

### **About MMI Asia Pte Ltd**

Established in 1992, MMI Asia is the wholly owned subsidiary and the regional headquarters of Messe München GMBH (MMG) and is one of the world’s largest and leading exhibition organizers. MMI Asia’s portfolio of events includes editions of world-leading trade fairs from Munich – transport logistic & air cargo, analytica, ceramitec; as well as industry-specific events such as Glasstech and Fenestration Asia, Asia Climate Forum, and Singapore International Water Week. MMI Asia also provides consultancy in professional trade fair and conference management to government bodies, international trade and promotion organizations, and trade associations. For more information, please visit [www.mmiasia.com](http://www.mmiasia.com).

### **About Messe München**

As one of the leading trade fair organizers, Messe München presents the world of tomorrow at around 90 trade fairs worldwide. The portfolio comprises trade fairs for capital and consumer goods, as well as for new technologies. This includes 14 world-leading trade fairs such as bauma, BAU, IFAT, and electronica, cooperation events such as IAA MOBILITY, and numerous guest events.

With an international network of affiliated companies and foreign representatives, Messe München is active worldwide. Together with its 1,200 employees in the group, it organizes trade fairs in China, India, Brazil, South Africa, Turkey, Singapore, Vietnam, Hong Kong, Thailand, the USA, and Saudi Arabia.

Around 150 events per year attract over 50,000 exhibitors and around three million visitors in Germany and abroad. This makes Messe München an important economic engine that generates billions in purchasing power.
